***REPRESENTATIVE PERFORMANCE OF CLUB "NATURAL  
ROUNABOUT"***

Hello, friends,

It's time for the first appearance of the representative performance of our club "Natural roundabout", which took place on January 18<sup>th</sup> in our classroom.

We looked forward to the event and were so excited. We invited our friends, teachers and parents. Our classroom was too small to gather all the guests.

We prepared an exhibition of our paintings, flowers, modeled by plasticine and herbarium.

We told different stories about the beauty of the whole plant world, about our club activities, answered a lot of questions.

We greeted everyone with a poem by Ivan Vazov "Song of squill."

Our representative performance was successful, and we were proud of the knowledges we showed.
