SCHOOL LIFE CHRISTMAS CONCERT

A charity concert was held by the students of our school on 20.12.2013. It was held to raise funds for repairing the school yard.

Small and big talents, from almost all classes of the school took part in the concert . The performances were prepared by their class teachers and teachers, working on project "Success." With enthusiasm and excitement students rehearsed for days and prepared their performances, because they knew their cause deserves. They do it to help school and school yard to be a good place of learning and sports.

Our talented children sang, danced, played for more than eight hundred spectators. They proved that they are good not only at science and sport but also can create Christmas spirit. With their artistic ability they rejoiced their friends, parents and teachers.

CHRISTMAS TREE

For Christmas students from 1c class decorated a live tree. after the holidays children planted a tree in the school yard. During long breaks the first graders enjoy the little Christmas tree, take care of it and protect it. For next Christmas they hope to decorate it again. Because the most beautiful tree is the live one!

worthy performances

Ivailo Manev of class 3b participate in a fencing competition in Sofia at the end of December. He showed skill with a sword, presented excellent and won second place. Let's go more forward and upward!

Fencing is a kind of struggle between two people using different types of weapons, and dogfight. The term is derived from the German word "feshten" fight. Initially fencing was applicable combat system than sport.

Martin Koevski of class 3b has taken first place In the competition in swimming, which was held at school "Dimitar Matevski" on December 15. We wish him more success!
